IN-PERSON EVENTS

General Registration

Please select the date the event begins. You will automatically be registered for the entire event.

Complete Ticket Details

**Registration falls into 3 categories:**

1) **General Registration – for attendees who are not full-time students or previous Safe Capture training attendees.**

2) **Refresher Registration – for attendees who have attended previous Safe Capture training events presented by San Diego Zoo Wildlife Alliance or Safe Capture International, Inc. (subject to verification).**

3) **Full-time Student Registration – for attendees who are currently enrolled as a full-time student at a college/university (subject to verification).**

**3** Select the calendar for "Full-Time Student" Registration.

Within the "early registration" time, you will find the event on the "Early" calendar. Past the early registration deadline, you will find the event on the "General" calendar.

Early Student Registration (Full-Time Student)

Confirm Email Address

To ensure delivery, email address must be correct

Your confirmation email and attached tickets come from esales@sandiegozoo.org. Occasionally, our delivery emails go to your junk mail or spam folder, so be sure to check these folders if our email has not arrived in your inbox. A good precaution is to make sure the domain esales@sandiegozoo.org is on your email client's address book and safe senders list.

**11** Fill in your credit card and billing contact information. Address needs to match what the credit card company has on file for you. All fields with a teal line at the end are required fields.
