

# School of Natural Resources

We are the School of Natural Resources, where we do science and explore everything.

We are made up of dedicated students, faculty and staff in five majors, seven research centers and countless labs. Through our teaching, research and extension programs, we continue our mission to protect our natural resources by sharing science-based information to inform decisions made by stakeholders and policymakers across Nebraska.

In a rapidly changing world, we are nimble teachers, training our future professionals to be adaptive so they can retire after a successful dream career, and we're top-notch scientists, too. We're dedicated to finding solutions to pressing environmental issues, including resilience, climate

## BY THE NUMBERS

Faculty	90
Staff	89
Undergraduate students	330
Graduate students	116
Grants Awarded (2019)	78, \$14.7M
Undergraduate scholarships awarded	34
Undergraduate scholarships monetary total	\$25,174

change, ecosystem balance, water availability and quality, and live-able spaces. We do research in 46 countries and have published more than 275 articles based on that work.

Take a deep dive into Nebraska. Come explore with us.

## SCHOOL OF NATURAL RESOURCES

### SPRING 2020 HIGHLIGHTS

#### **Caring for Clinton: After the Holidays, Jan. 6-Feb. 13**

Caring For Clinton: After the Holidays is a donation drive for basic necessities for SNR's elementary school neighbors to the west. Between Jan. 6 and Feb. 13, we collect goods to be donated to the school where 95 percent of children are on free or reduced-price lunches. Learn more about the drive: [go.unl.edu/3tqb](http://go.unl.edu/3tqb)

#### **Spring Water Seminar Series, Jan. 22**

The Spring Water Seminar Series aims to increase awareness of water issues and for thoughtful discussion of alternatives aimed at the wise management of Nebraska's surface and groundwater resources. The series begins Jan. 22, and continues bi-weekly through April 22. For

the full schedule, visit [go.unl.edu/ir2x](http://go.unl.edu/ir2x).

#### **Career Information Day 2020, Jan. 29**

The 2020 Natural Resources and Life Science Career Information Day is 11 a.m. to 1:30 p.m. Jan. 29 in Hardin Hall. Students have the opportunity to network with employers and learn about volunteer opportunities, internships and full-time career possibilities in life sciences fields. The event is free and open to students and potential students. For more information, visit [go.unl.edu/7q9w](http://go.unl.edu/7q9w).

#### **Encounter CASNR Community Night with SNR, March 12**

SNR will host "Encounter CASNR" Community Night on March 12 in Hardin Hall. The community event

will begin at 4 p.m. with natural resources discovery stations, and Wildlife Encounters education program will present at 6 p.m. in Hardin Hall Auditorium. The event is free and open to the public.

#### **New Student Welcome, Feb. 24**

SNR welcomes all students who've declared one of our majors to the College of Agriculture and Natural Resources new student event Feb. 24 in Hardin Hall. Students meet with ambassadors, explore East Campus, and become a member of the SNR family.

#### **Graduation Celebration, May 8**

SNR celebrates its Spring 2020 graduates with friends, family, faculty and staff in a ceremony at 2 p.m. May 8 in Hardin Hall.
