## University of Nebraska Non-Competitive Purchase Documentation

Board of Regents Policy 6.2.1.10 (b) provides that "except as otherwise provided in this purchasing policy, any purchase committing the University to an expenditure of \$150,000 or more shall be made to the lowest responsible bidder." Board of Regents Policy 6.2.1.7 provides that "If small purchase procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources. There are exceptions allowed to this policy in 6.2.1.10 (f), which explains when competitive bidding is not required.

This form is designed to assist in complying with policy. It is to be used for purchases of \$150,000 or more that are not competitively bid or small purchases where quotations are not obtained. It must be signed by the person seeking the non-competitive purchase, as well as the funding approver and returned to your campus procurement office or the Office of the Vice President for Business and Finance.
