

Shannon Moncure Scholarship Application 2018 – 2019

Deadline: January 18, 2019

Eligibility

Eligibility to apply for the Moncure Scholarship is determined by:

- **Human Dimension Specialization in the Natural Resource Sciences graduate program:** All students currently in the Human Dimension specialization are eligible
- **Credit Hours Completed:** Students must have completed 9 hours of graduate credit at UNL by December 31, 2018

About Shannon Moncure

Shannon was an outstanding member of the School of Natural Resources community. She had an intense calling to environmental, sustainable agriculture, and animal rights causes. Her research interests centered on motivational factors that cause people to participate in local food and sustainable agriculture. She was also interested in biospherism, which is the way of life that respects the limits of the biosphere and all life.
