Relationship to water well industry (if any):

Career plans which may benefit Nebraska groundwater resources or the water well industry:

Describe how you determined to direct your studies to an emphasis which you believe will benefit the water well industry:

Application Deadline: November 15th
Award Notification: December 15th
Award Presentation: At Nebraska Well Drillers Association Convention, held annually in February.

By agreement of the Conservation & Survey Division, the Nebraska Well Drillers Association, and the NU Foundation, students meeting the following criteria shall be eligible for this scholarship: Candidates shall be undergraduates enrolled full-time in any program deemed to provide benefits toward a career in the water well industry or the sciences of hydrology, hydrogeology or geology at any campus or location of the University of Nebraska system; Candidates shall have sophomore class standing or above and GPA of 3.0 or above. Candidates shall satisfactorily complete a "George E. Condra Memorial Scholarship Application Form". Scholarship funds will be disbursed as a credit to the recipient's student account in the semester following the award notification.
