Weather Camp 2012
"Weather and Climate All Around Us"

Are you interested in the weather? Come to Weather Camp at UNL

What is Weather Camp?
Weather camp is a week long day camp for students who will be 11-14 years old at the time of the camp.

When is Weather Camp?
Monday, June 11, 2012 through Friday, June 15, 2012, 9 am-5 pm each day.

Where is Weather Camp?
Most of the activities at Weather Camp 2012 will take place at Hardin Hall, East Campus at the University of Nebraska-Lincoln (33rd and Holdrege Streets). A few field trips are planned and will require travel to local locations. Signed permission forms will be required and all transportation will be provided as part of the camp fee.

How do I Apply?
Applications to Weather Camp 2012 will be available on line at the Weather Camp website in January 2012 (see link below).

Weather Camp Highlights
Meet National Weather Service forecasters; watch a TV weathercast live in the TV studio; meet a professional storm chaser; learn about careers in weather and climate; meet science researchers; perform science experiments and use real weather instruments; learn how to make weather forecasts; and most of all, have fun with other students who love weather just like you!!
