## **Reserving a Room/Resource – Short Version**

Reservations for Classrooms, Teaching Labs and the Auditorium require approval from the SNR Resources approvers. You will be notified if/when your request is approved or rejected, usually within 24 working hours. Reservations for uncontrolled rooms will be system approved upon entry if the space is available. Jacki Loomis is the primary approver for conference rooms and resources. Patty Swanson is the primary approver for classrooms.

All work will be done from your Outlook calendar.

Most rooms are identified by their number with HarH preceding the number, such as HarH 901. Some rooms are identified by a unique number (see the following list):

HARH 001 is the 1<sup>st</sup> Floor Tower Lobby HARH 002 is the 2<sup>nd</sup> Floor Tower Lobby HARH 003 is the 1<sup>st</sup> Floor North Wing Lobby HARH 111 is Water Sciences Lab 111 (WSL 111)

1. On the "Home" tab, choose "New Meeting." Select "New Meeting" from the list if it appears.

- 2. In the reservation window, enter the following information using the given format (graphic below shares same information with red boxes being required information):
