

# Now accepting applications for 2023 Cabela's Apprenticeship Program

For more information and to apply online,  
use the QR code or go to  
<https://go.unl.edu/cabelaapprenticeship>

The Cabela's Apprenticeship is an opportunity to gain research experience or career-related experience during Summer\Fall 2023 centered around issues relating to:

- ✓ recruiting and maintaining participants in outdoor activities
- ✓ managing fish and wildlife and creating their habitat
- ✓ protecting threatened and endangered species
- ✓ supporting ecosystem conservation

Students with at least 27 credit hours or sophomore standing and a 3.0 GPA are eligible to apply.

Not sure what you might be interested in doing?

You are not limited to SNR faculty for a mentor but here are some SNR faculty (and area of focus) you may want to reach out to:

Lindsey Chizinski - 🐟

Larkin Powell - 🐦

Jon Spurgeon - 🐟

Andrew Little - 🦌 🐢

Dennis Ferraro - 🐸 🐢

Mark Pegg - 🐟

Rob Wilson - 🧬

Chris Chizinski - 🧑 🐸 🐢 🐟
