

The Lower Platte South NRD is in the process of filling up to six summer temporary positions to primarily work on land management activities on saline wetlands, wildlife management areas and the District's other public access properties. The position pays \$13.99/hour for up to 39 hours worked/week. If a student is interested in submitting a resume' and/or filling out an application, please have them contact Dan Schulz, Resources Coordinator, at [dschulz@lpsnrd.org](mailto:dschulz@lpsnrd.org) for an application.
